

# Overview of GIO Progress & Achievements

Martin Creaner

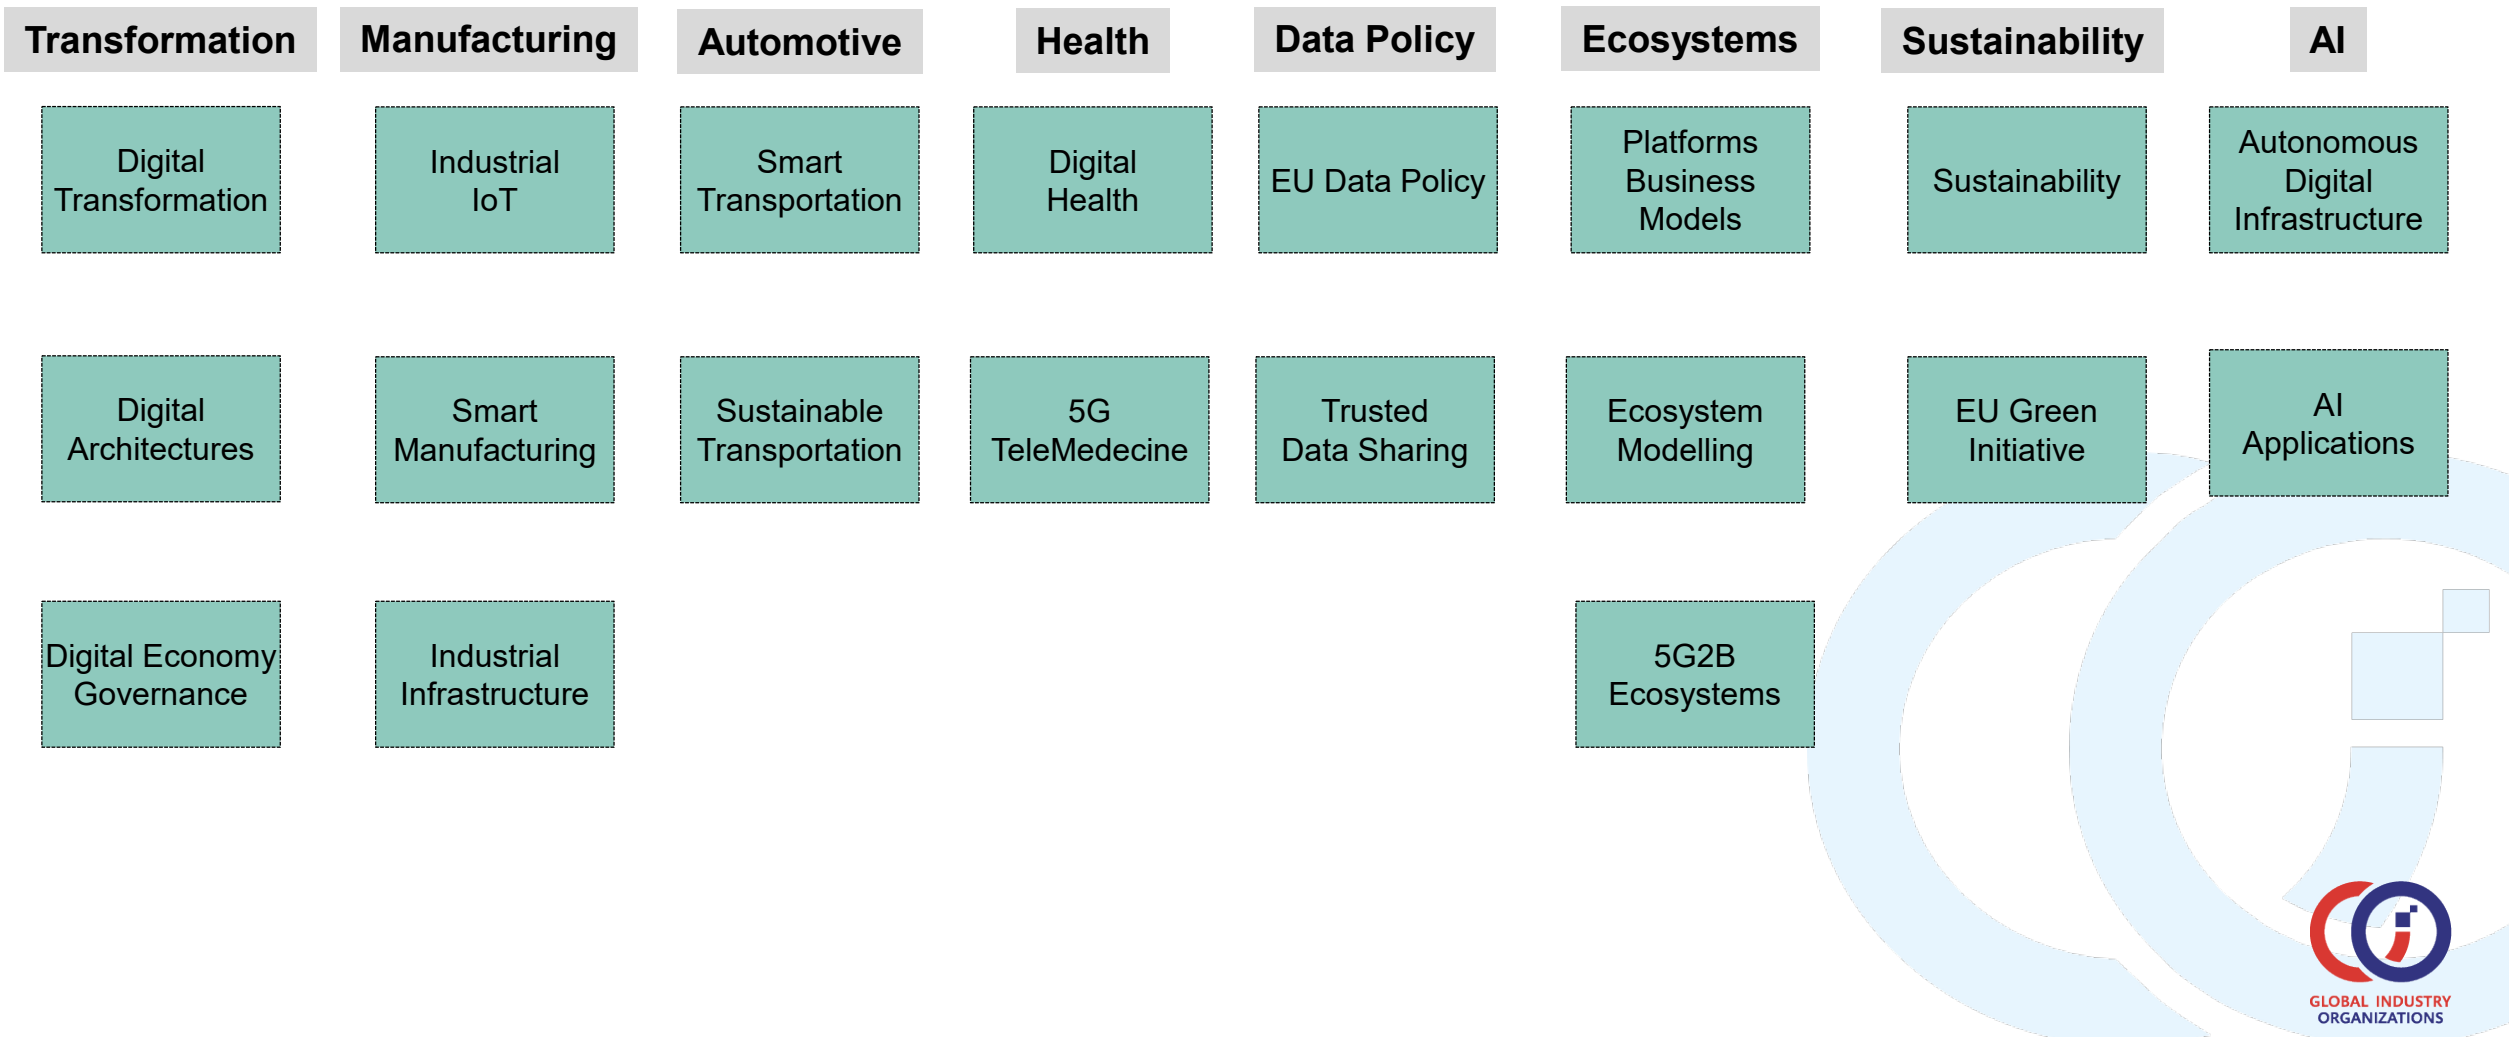

Collaborating for Digital Economy Growth,  
Building a Better Intelligent World.

# GIO – A cross industry meeting place since 2018

- GIO formed as an open cross-industry discussion forum in 2018
- 10 GIO Meetings (twice yearly) since 2018
- 45 different industry organisations involved over past 5 years
- 25 organisations consistently involved in at least half of the meetings since the beginning
- Focus on identifying cross industry opportunities of common interest.

# Facilitating discussion on a wide range of topics

# Developing whitepaper and arranging workshops

## GIO White Papers

- **Industry Digital Transformation Architecture**
  - > Editor-in-chief: TM Forum, ITEI, and Huawei
  - > Participated experts: 3GPP, 5GSA, ERTICO, oneM2M, ECC, Networld2020, 5GAA, IIC, All, OPRC, Linux Foundation, The Open Group
- **Industry digital platform ecosystem**
  - > **manufacturing**
    - German Platform I4.0: Collaborative Status Monitoring
    - All: Full Lifecycle Management of Electric Vehicles Based on Industrial Internet Platform
    - eco-Association: AI Service Ecosystem in the Age of Industry 4.0
    - SPO Lab: Predictive Manufacturing Process Control
    - IVI: Connected Industrial Open Framework (CIOF) for Manufacturing, Applied Edge AI
  - > **health**
    - SPO Lab: Smart Inhaler
    - Fudan University Digital Health Team: Insomnia Cognitive Behavioral Intervention Intelligent Digital Therapy
    - Tencent AI Lab: Automatic Peripheral Blood Cell Morphology Analyzer
    - HL7 Europe:

## GIO Workshops and Events

- The State of Global Smart Manufacturing
- Industry Data Value Workshop
- Digital Health Workshop
- Supply Chain Disruptions and the Role of Digitization
- Digital Health Ecosystems: Partner Modelling the Future of Health Ecosystems
- The 5G Healthcare Ecosystem Opportunity
- GIO Digital Health Industry Development Roundtable
- Digital Health Roundtable
- Digital Transformation Enabling Manufacturing Workshop
- Industrial New Infrastructure Roundtable
- Autonomous Digital Infrastructure Virtual Workshop
- eHealth (Pandemic) Digital Transformation Roundtable
- eHealth (Pandemic) Digital Transformation Virtual Workshop
- GIO Digital Transformation in Smart Manufacturing

Thank you.
